

Ted Bear's Extinction Stoppers

The Extinction Stoppers main priority is saving the endangered species of the world! Ted Bear, the leader of the Extinction Stoppers, has been surviving the world for many years and has learned how to help a lot of species from going extinct!

We help many different species like: the Cougar, the Rhino, The Brown Bear, The Arachnibear, and many more.

So Come join the Extinction stoppers and save some almost Extinct Animals!!

**TED
BEAR'S
Extinction**

Survival is Ted Bear's middle name!
